An exciting mix of popular opera and musicals...

Experience the thrills of **Habanera** probably the most popular aria in **Carmen**, the majesty of the **Grand March** from **Aida**, and the **Easter Hymn**, one of the most beautiful melodies from the opera **Cavalleria Rusticana**.

We have also brought together selections from some of the best known West End musicals including Andrew Lloyd Webber's hit musicals **Phantom of the Opera** and **Cats**, together with the amazing Bernstein musical **West Side Story**, and the classic New York musical **Guys and Dolls**. Plus the anthem from **Chess**, which will be our next big show in 2017.

Come and join us for another memorable evening with Ware Operatic, featuring a line-up of talented soloists and our fantastic chorus.
